

# The Irish for Healthcare

[www.healthcare21.ie](http://www.healthcare21.ie)

Ellard Browne developed the company brand & launch for Healthcare 21 a medical distribution company which has a turnover in excess of some 20 million euro.

The company was launched to staff and suppliers over the course of a weekend in September 2003

The company has grown to become one of the major medical distribution agencies and has subsequently developed a business in the UK 365 Healthcare which Ellard Browne also created the brand for.

365 Healthcare is a medical distribution company supplying the nursing home and hospital business across the UK

Ellard Browne has also developed a new brand for the company
